

Do you have recent experience of maternity services?

We are putting together Birmingham and Solihull's Maternity Voices Partnership (MVP): a team of people who provide feedback about their local maternity system. The panel will include maternity professionals and people with direct personal experience of the service.

If you have recent experience of maternity services in Birmingham or Solihull, we'd like to invite you and your family to get involved and get your voices heard.

The first meeting will be in July and we will hold an induction for all volunteers before it takes place. Expenses will be paid, including travel, parking and childcare costs.

If you're interested in finding out more, please contact your local MVP Co-ordinator Sharon Bartlett at s.bartlett@gatewayfs.org or call 0121 456 7820.

Birmingham and Solihull MVP is delivered by Gateway Family Services and Birmingham and Solihull United Maternity and Newborn Pathway (Bump).
